## **Miles for Meals Running Club**

**Doc Bill Paronish will be running in the 2012 Las Vegas Marathon on December 2nd representing the Miles for Meals Running Club's ongoing effort to provide financial support to charitable programs that have a primary focus in caring for our needy children. By running marathons across the country representing the "Miles for Meals Running Club" Doc Bill has collected donations in support of wonderful charitable organizations such as Second Harvest, Kid's Café and Feeding America. To date Doc Bill and the Miles for Meals Running Club has collected and donated well over \$30,000 in charitable contributions to benefit the health and nutrition of children in this country almost entirely because of the kindness of folks just like you. The 2012 Las Vegas Marathon is Doc's next 26.2 mile personal challenge to benefit our children and this year all donations collected for the Doc's Vegas Run will be directed to another wonderful children's program called "Shania Kids Can US-Ltd". If you would like to learn more about this exciting and vital new program please go to <http://www.shaniatwain.com/shaniakidscan.html>. If you would like to make a tax deductible contribution in support of Doc's 2012 Las Vegas Marathon effort (and please understand that every donation no matter how small is very much needed and appreciated!!) make your checks payable to "Shania Kids Can US-Ltd". Doc will personally provide you with a receipt and a thank you for your kind donation and you will also receive a receipt directly from "Shania Kids Can US-LTD" to thank you for that donation.**

**Your Tax Deductible donations may be made in person at our family medicine/geriatric medical office the NORTHERN CAMBRIA MEDICAL CENTER, at our aesthetic medicine office EVOLUTION MEDICAL SPA of the Northern Cambria Medical Center or they may be directly mailed to:**
